

BANNED

TOGETHER

THE FIGHT AGAINST CENSORSHIP

TRAILER

BANNED TOGETHER

“BANNED TOGETHER traces the political origins of America’s rash of book banning, and clearly outlines its detrimental consequences — but this documentary’s secret weapon are the three fierce Beaufort, SC teens whose story it follows. With intelligence, compassion, and determination, these young women speak on behalf of their peers -- and in doing so negate the specious argument of book banners who claim their actions protect kids.”

—Jodi Picoult, #1 NYT bestselling author

▶▶ SUPPORT THE FIGHT AGAINST CENSORSHIP

As book bans continue to proliferate in communities nationwide, Atomic Focus Entertainment of Charleston, SC has completed ***Banned Together***, the first feature documentary that tackles this explosive topic.

Banned Together premieres next year (2025) on multiple platforms. THIS year we're offering opportunities to sponsor screening events of this important film with partners across the nation. Join us in support of our mission.

With a cast of visionary teenagers, stirring public protests, private threats, criminal charges, and drama-filled school board meetings, ***Banned Together*** pulls back the curtain on book bans and curriculum censorship in public schools.

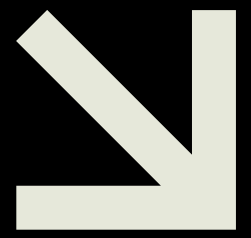

Banned Together is co-produced by Kanopy, the entertainment streaming service that is provided at no fee by public libraries and universities.

OUR GOALS

- To fund more than 100 screenings across the country that are free to the public.
- To create a national conversation about book bans, classroom censorship, and activism.
- To collect feedback for sponsors via questionnaires about the impact of ***Banned Together*** on attendees' views of issues related to the film.
